INTRODUCTION

Seminole County, Florida (the "County") is required pursuant to continuing disclosure agreements entered into by the County in connection with its outstanding bonds to continually disclose certain information to the municipal marketplace. The County, in accordance with its disclosure obligations, is required to provide annual financial information and operating data, and audited General Purpose Financial Statements. The County is also required to provide notice, in a timely manner, of the occurrence of certain material events.

Included within this report is a summary of the County's outstanding debt and operating data and financial schedules as of fiscal year ending September 30, 2008. This report is intended to be used in conjunction with the Comprehensive Annual Financial Report (CAFR). In addition to containing the County's audited financial statements, the CAFR contains certain statistical and other information which may be considered relevant and material to bondholders and potential investors. The information contained in this report is intended to satisfy the County's continuing disclosure obligations that the County has entered into in connection with certain of its bonds.

The County has not undertaken an independent review or investigation to determine the accuracy of information that has been obtained from other sources. Certain information presented herein has been obtained from sources that are believed by the County to be reliable, but the County makes no representation or warranty with respect to the accuracy or completeness of information. The information in this report speaks only as of the date hereof, and the County assumes no duty to update any information contained in this report.
